## Future connection of IRU application TIR-EPD to the eTIR international system

- Eg Advance TIR data
- E10 Advance TIR data results
- E11 Advance amendment data
- E12 Advance amendment data results
- E13 Cancel advance data
- E14 Cancel advance data results

## Benefits of using TIR-EPD application for sending advance TIR data to eTIR international system

- Single data entry
- Comply with Advance cargo data regulation (all countries of itinerary)
- Associations support
- IRU Hotline support
- Local language display
- Same application for paper TIR or eTIR

For a world **in motion**
